

Puget Sound Polo Athlete / Parent Contract

Character, Commitment and Attitude

- As PSP Athletes, character and attitude are just as important as water polo skills. All athletes who are members of this team need to meet our high standards of character and attitude.
- Players should come to practice every day with a positive attitude and a strong desire to improve / help the team improve.
- Players need to be focused and committed to not only being the best water polo players they can be, but also the best teammates.
- PSP Team Members need to be careful with technology to ensure that they do not post, tweet, tag etc. something that could be perceived as negative towards the club / team.
- PSP Athletes will be held to a higher standard.

By signing this contract, we (athlete and parent/guardian) agree to all of the requirements that are listed in this packet in addition to the following:

- We are committed to this water polo program and the tournaments that are listed in this packet.
- All payments are non-refundable as all costs are based on a certain number of players.
- We understand that **playing time is not guaranteed**. Coaches will play athletes that they believe will help the team be the most successful. We understand that PSP Elite will give athletes several opportunities to showcase their abilities.
- Unless specific plans have **already** been made with Coach Wally, all athletes are expected to participate in all winter/spring / summer tournaments.
- Commit to making sure that family travel/plans do not interfere with out training schedule including leading up to JO's. August, or after JO's, would be a great time for travel, attending camps etc.
- Understand that missing practice or tournaments/games will impact playing time and could lead to removal from the travel team.
